

# Immediate Loading Blue Diamond and Blue Diamond Cuff

2 CE

Immediate

Implants

Arthur Johnson  
OMFS

 April 22, 2026 | Wednesday

 BIOLASE Education Center  
27042 Towne Centre Dr #270, Foothill Ranch, CA 92610, USA

## COURSE DESCRIPTION

This lecture provides clinicians with a focused overview of immediate implant procedures, emphasizing the immediate loading of Blue Diamond implants. The session will cover key concepts, case evaluation, and practical considerations to help clinicians integrate immediate implant techniques into their practices with confidence.

## COURSE OBJECTIVE

By the end of the course, clinicians will be able to:

- Understand the principles of immediate loading of Blue Diamond implants.
- Apply key surgical and restorative strategies for successful outcomes.
- Recognize and manage potential complications.
- Optimize esthetic and functional results in immediate implant cases.
- Assess candidates for immediate implant placement.

## TARGET AUDIENCE

Dentists. No pre-requisites required

## COURSE SCHEDULE

Apr 22 (Wed)

05:30pm - 06:00pm Registration

06:00pm - 08:00pm Lecture
