

ABC Immediate Molars

5 CE

Immediate > Bone Management

Andres Guerra
DMD, MDSc

 August 8, 2026 | Saturday

 Hilton Garden Inn-Tampa Suncoast Pkwy
2155 North Pointe Pkwy, Lutz, FL 33558, USA

COURSE DESCRIPTION

Join us for a 3 hour lecture and 2 hour hands on, led by Oral and Maxillo Facial Surgeon, Dr. Andres Guerra.

Dr. Guerra will be discussing the overall benefits of Immediate Implant placement from a dentist and a patient perspective. He will touch on the indications for Immediate Implant placement, including the ability to gain initial stability in sockets with very little bone present. Dr. Guerra will teach practitioners how to identify type, A, B and C extraction sockets and discuss the techniques used in each situation to be able to predictably deliver immediate implants.

COURSE OBJECTIVE

By the end of the course, clinicians will be able to:

- Learn the surgical and prosthetic benefits of placing implants at the time of extraction.
- Identify how initial stability can be gained in even molar sites with little to no bone.
- Understand the role that implant design plays in the ability to gain initial stability.
- Learn the indications and contraindications of immediate implant placement.

TARGET AUDIENCE

Dentists. No pre-requisites required

COURSE DETAILS

Educational Method	3 CE Lecture & 2 CE Participation
Credit Hours	5 CE
AGD Subject Code	690 Implants
Max Participants	20

TUITION

\$100

ABOUT THE SPEAKER

Andres Guerra

DMD, MDSc

Dr. Andrés Guerra is a board-certified oral and maxillofacial surgeon with nearly 20 years of surgical experience and more than a decade serving the Tampa Bay community. He is the Owner and CEO of Tera Oral and Facial Surgery and Tera Facial Aesthetics & SPA, where he provides comprehensive oral, maxillofacial, dental implant, and facial aesthetic care.

Dr. Guerra earned his Doctor of Dental Medicine from Universidad Central de Venezuela and completed his Oral and Maxillofacial Surgery residency and Master of Dental Science (MDSc) at the University of Puerto Rico. He also completed a Head and Neck Oncologic and Reconstructive Surgery Fellowship at the University of Tennessee Cancer Institute.

A Diplomate of the American Board of Oral and Maxillofacial Surgery and the National Board of Dental Anesthesiology, Dr. Guerra specializes in dental implants, bone grafting, full-mouth rehabilitation, maxillofacial pathology, trauma, complex extractions, and head and neck reconstruction, with a special interest in lip cancer treatment and reconstruction. Dr. Guerra has held academic and hospital appointments at the University of Puerto Rico, James A. Haley VA Hospital, Suncoast Community Health Centers, and currently serves as faculty at Ponce Health Sciences University. He is a reviewer for the Journal of Oral and Maxillofacial Surgery, has authored scientific publications, and lectures internationally on dental implants, oral cancer, facial reconstruction, pathology, and IV sedation. He is fluent in English and Spanish and is committed to combining clinical excellence with education, innovation, and compassionate patient care.
