Webinar

COURSE DESCRIPTION

This focused surgeon-to-surgeon course explores the planning, execution, and refinement of zygomatic implant protocols through a Kaizen continuous-improvement mindset. Participants will gain practical insights into managing severe maxillary atrophy, developing prosthetically driven treatment plans, and applying different zygomatic implant approaches with greater predictability.

Key topics include severe maxillary atrophy case selection, CBCT-based anatomical assessment, prosthetic-driven planning, traditional, extrasinus, and quad zygoma concepts, immediate loading and restorative coordination, and strategies for complication avoidance. The course also emphasizes post-case review and continuous refinement to help clinicians improve surgical outcomes and establish more consistent, predictable protocols.

COURSE OBJECTIVE

By the end of the course, clinicians will be able to:

- Identify indications and case-selection criteria for zygomatic implants.
- Interpret CBCT and 3D planning factors, including sinus health, zygomatic bone volume, trajectory, and emergence profile.
- Differentiate major zygomatic implant approaches and recognize how anatomy influences protocol selection.
- Apply a step-by-step Kaizen-style workflow to improve consistency, efficiency, and safety.
- Recognize common complications and describe strategies to reduce intraoperative and postoperative risk.
- Translate live-case insights into a practical clinical improvement checklist.

TARGET AUDIENCE

Clinicians with experience in advanced implant surgery who want to expand their expertise in zygomatic implants and severely atrophic maxilla cases.

COURSE DETAILS

Educational Method	Lecture
Credit Hours	1 CE
AGD Subject Code	690- Implants
Max participants	200

COURSE SCHEDULE

Aug 18 (Tues)

08:00pm - 08:10pm	Case selection, indications, contraindications
08:10pm - 08:20pm	CBCT planning, sinus review, anatomy landmarks
08:20pm - 08:35pm	Step-by-step surgical protocol & drilling sequence
08:35pm - 08:45pm	Pearls. pitfalls and complication avoidance
08:45pm - 09:00pm	Live insights, Kaizen checklist and Q&A

ABOUT THE INSTRUCTOR

Ali Elyassi

DDS, OMFS

Dr. Ali Elyassi is a board-certified Oral and Maxillofacial Surgeon who earned his DDS from the University of Maryland and completed his surgical residency at Tripler Army Medical Center, graduating at the top of his program. He is a national lecturer and surgical educator with expertise in complex implant reconstruction, corrective jaw surgery, and advanced facial procedures. As Co-Founder of Kaizen Surgical Academy and faculty with ORCAA, he is dedicated to advancing surgical education through hands-on training, mentorship, and predictable clinical outcomes.

Disclosure: The speaker reports no relevant financial or non-financial conflicts of interest related to the content of this course.

Cameron Hamidi

DDS

Dr. Cameron Hamidi is a board-certified Periodontist and Implant Surgeon who earned his DDS from The Ohio State University and completed advanced training in Periodontics and Implant Dentistry at the University of North Carolina at Chapel Hill, where he also earned an MPH. He serves as Adjunct Faculty at UNC and lectures nationally on advanced implant surgery, bone grafting, sinus augmentation, and full-mouth rehabilitation. As Co-Founder of Kaizen Surgical Academy and ORCAA faculty, Dr. Hamidi is dedicated to surgical education, mentorship, and translating complex techniques into predictable clinical outcomes.

Disclosure: The speaker reports no relevant financial or non-financial conflicts of interest related to the content of this course.

KAIZEN SURGICAL ACADEMY

PACE ACADEMY of GENERAL DENTISTRY PROGRAM APPROVAL FOR CONTINUING EDUCATION

Kaizen Surgical Academy
Nationally Approved PACE Program Provider for FAGD/MAGD credit.
Approval does not imply acceptance by any regulatory authority or AGD endorsement.
11/1/2024 to 10/31/2027.
Provider ID# 372591

SPONSORED BY MEGAGEN AMERICA

This activity has been planned and implemented in accordance with the standards of the Academy of General Dentistry Program Approval for Continuing Education (PACE) through the joint program provider approval of Kaizen Surgical Academy and MegaGen America. Kaizen Surgical Academy is approved for awarding FAGD/MAGD credit. AGD ID# (372591)
